HOMESITE: 7900

YOUR NEXT STEP.....

Congratulations...your selection process is now complete. It is almost time to begin construction on your new home. When the building permit is issued by the proper governing entity, your home will be ready for construction.

In order to maintain good communication between John Henry Homes, Inc. and you throughout the building process, all questions and concerns regarding your new home should be directed to your John Henry Homes, Inc. customer contact, Wendy Mains. She can be reached at (513) 745-9019 ext. 100 between 8 a.m. and 5 p.m. on normal business days.

Please keep the following in mind to prevent any unnecessary delays:

1. Changes from this point are highly discouraged and may result in delays in construction. Your home will be built in accordance with the items specified in your Purchase Contract and on your selection sheets. If you absolutely must change or add something to your new home, there will be a minimum \$250 change order fee for each item you want to change or add. Due to the material ordering process and the construction schedule, there are no guarantees that the desired change can be made. Please direct any inquiries to your customer contact.
2. Please be sure all deposits are submitted timely. Failure to submit deposits may result in delays in the start of your new home. If you are unsure of when your deposits are due, please ask your customer contact.
3. Please be sure you have given a copy of your loan commitment to your sales representative.

This process has been reviewed with me and I understand my selection process is now complete.
